From Rev. J. Newton Brown, D. D., Editor
of the Encyclopedia of Religious Knowledge.
Although not disposed to favor or recom-
mend Patent Medicines in general, through
distrust of their ingredients and effects, I yet
know of no sufficient reasons why a man
may not testify to the benefits he believes
himself to have received from any simple
preparation, in the hope that he may thus
contribute to the benefit of others.

I do this the more readily in regard to
Hooiland's German Bitters, prepared by Dr.
C. M. Jackson of this city, because I was
prejudiced against them for many years,
under the impression that they were chiefly
an alcoholic mixture. I am indebted to my
friend Robert Shoemaker, Esq., for the re-
moval of this prejudice by proper tests, and
for encouragement to try them, when suffer-
ing from great and long continued debility.
The use of three bottles of these Bitters, at
the beginning of the present year, was fol-
lowed by evident relief, and restoration to a
degree of bodily and mental vigor which I
had not felt for six months before, and had
almost despaired of regaining. I therefore
thank God and my friend for directing me to
the use of them. J. NEWTON BROWN.
Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder.
IN YOUNG OR AGED, MALE OR FE-
MALE.
Are speedily removed, and the patient re-
stored to health.

DELICATE CHILDREN.
Those suffering from MARASMUS, wasting
away, with scarcely any flesh on their bones,
are cured in a very short time: one bottle
in such cases, will have a most surprising
effect.

ATTENTION SOLDIERS!
AND THE FRIENDS OF SOLDIERS.
We call the attention of all having rela-
tions or friends in the army to the fact that
"HOOFLAND'S German Bitters" will cure
nine tenths of the diseases induced by ex-
posure and privations incident to camp life.

In the lists, published almost daily in the
newspapers, on the arrival of the sick, it
will be noticed that a very large proportion
are suffering from debility. Every case of
that kind can be readily cured by Hoo-
iland's German Bitters. We have no hesi-
tation in stating that, if these Bitters were
freely used among our soldiers, hundreds of
lives might be saved that otherwise would
be lost.

The proprietors are daily receiving thank-
ful letters from sufferers in the army and
hospitals, who have been restored to health
by the use of these Bitters, sent to them by
their friends.

Should your nearest druggist not have the
article, do not be put off by any of the
intoxicating preparations that may be offered
in its place, but send to us, and we will
forward, securely packed by express.
